

## **CIRCULAR TO ALL GTA MEMBERS**

Dear GTA Member,

As from yesterday MIMCOL started circulating the email shown below to those catering establishments that were registered that can accept the red vouchers as part of the €100 scheme. Now a new category of €10 Yellow vouchers are being given to students who travel to Malta and Gozo to attend a local language school. These vouchers can be redeemed also at those catering establishments who are registered to accept the red vouchers.

**Subject:** €10 Yellow Vouchers

Dear Sir/Madam

You are listed as a business that is registered to accept the red vouchers forming part of the €100 voucher scheme. We would like to inform you that businesses registered in this category may now also redeem €10 Yellow Vouchers. These vouchers will be given to students who will be travelling to Malta to study English as a Foreign Language. These vouchers can be redeemed at restaurants, accommodation premises and English Language Schools, and will be distributed to those English Language Schools which have registered their interest in the scheme which was launched earlier this year as part of the Tourism Recovery Plan.

There are no additional activations that you need to see to as the €100 voucher scheme platform has already been updated to allow you to redeem the Yellow Vouchers.
