

CIRCULAR TO ALL GTA MEMBERS

August 16th, 2021

Dear GTA Member,

For your information following are the lists of the recognised vaccine certificates required for entry to Malta:

- The Official Maltese vaccination certificate
- The EU Digital COVID vaccination certificate, issued by EU, EEA and non-EU countries connected to the EUDCC gateway. The EU Digital certificates now includes certificates from Switzerland, Iceland, Liechtenstein, Norway, San Marino, Switzerland and Vatican city.
- The United Kingdom NHS (paper or digital) Coronavirus (COVID-19) Vaccination Certificate
- The UAE Vaccine certificate issued by the Dubai Health Authorities with a readable QR Code
- The Turkish Vaccine certificate of full course of vaccination.
- The United States CDC Covid-19 Vaccination Record Card: accepted until 31 July 2021. As of 01 August 2021 this will need to be verified through the VeriFLY app to be accepted as a valid vaccination certificate. The VeriFLY app is available on both Google Play (<https://bit.ly/2Wkgfrl>) and Apple App Store (<https://apple.co/3x8K0zn>). Go to <https://go.daon.com/verifyapp> for Verify FAQs.
- The Serbian "Digital Green Certificate" with a readable QR Code
- The Gibraltar, Jersey and Guernsey vaccination certificate
- The Covid 19 vaccination certificate issued by the Ministry of Public Health, Doha, Qatar
- The Albanian Digital Covid Certificate // Certifikate dixhitale shqiptare COVID
- Australia COVID-19 Digital Certificate as verified through Medicare Express Plus App.

A certificate with 2 different EMA approved vaccines from the above recognised vaccine certificates is accepted as valid. The list of EMA approved vaccines can be found here:

<https://www.ema.europa.eu/en/human-regulatory/overview/public-health-threats/coronavirus-disease-covid-19/treatments-vaccines/vaccines-covid-19/covid-19-vaccines-authorised>.

The following certificates are NOT VALID for travel to Malta:

- COVID Recovery Certificates

- COVID Vaccination Certificates showing only 1 dose of a vaccine requiring 2 doses, irrelevant of whether after recovery or not.
- COVID Vaccine Certificates with less than 14 days from the final dose
- COVID Vaccine Certificates not on the accepted list
- Negative Rapid Antigen Test, whether on EU Digital COVID Certificate or otherwise

All vaccine certificates are checked and verified at the borders for authenticity. It is the passenger's responsibility to ensure that his/her vaccination certificate conforms to the accepted certificates in this list.

Thanks and best regards
