

CIRCULAR TO ALL GTA MEMBERS

Dear GTA Member,

Since the date of 1st June, 2021 is fast approaching and as you are aware, the Maltese Islands will hopefully open up for foreign tourists, it is imperative that all operators and employees in the Gozitan tourism sector are vaccinated at least by the first dose.

In this regard, if you still have employees who are not vaccinated, and want to receive the first vaccine shot, kindly contact the undersigned for further details.

Thanks and best regards,

Joe Muscat
