

## **CIRCULAR TO ALL GTA MEMBERS**

Dear GTA Members,

As from this week several restrictions for mass events will be eased as announced by the Health Minister Dr. Chris Fearne during a press conference held last Friday.

The salient changes as announced are the following:

- Maximum number of people at event tables to be increased to eight (from six person);
- Seated events can increase their maximum capacity to 300 people;
- Children under 12 will no longer need a negative test result to attend events;
- Eased restrictions for events only open to vaccinated people;
- Changes to criteria for travel rules which should lead to eased restrictions for some South American countries but increased restrictions for some Eastern European ones;
- Vaccine certification from Armenia, Moldova, South Korea and Iraq to be recognised;
- Buses and ferries to be allowed to operate at 80 per cent capacity (up from 65 per cent).

The changes will come into effect as of today Monday, October 18<sup>TH</sup>, 2021  
More detailed information will be sent to you in due course.

Best regards,
