

## **CIRCULAR TO ALL GTA MEMBERS**

Dear GTA Member,

As you are quite aware the sea link between Malta and Gozo is going to be complemented with another service. As from 1<sup>st</sup> June, 2021 a high speed ferry service will be commenced servicing the route Mgarr-Valetta-Mgarr.

One of the companies that will be operating this service, Virtu Ferries Gozo, has just announced its fares for the Gozo - Malta high speed ferry service. Copy of ferry fares is hereby attached.

The vessels *San Frangisk* and *San Pawl* will be deployed to operate this service at a cruising speed of 35 knots (65 kilometers per hour), well within the 45 minute requirement for the crossing.

More information even from the other company Gozo Fast Ferry, and including the schedules of this service will be send to you as soon as is made available.

For your information and guidance.
