

CIRCULAR TO ALL GTA MEMBERS

Dear GTA Member,

Please be informed, that the office of the Deputy Prime Minister and the Ministry for Tourism and Consumer Protection issued a media release, stating that as from today, 1st July 2021, Malta will be accepting the digital app version of the UK NHS vaccine certificate, as well as the paper version of the certificate. This update came following the creation of a verifier app, created by the Maltese Authorities, which allows airlines and health officials to verify the authenticity of the UK digital certificate presented by tourists before entering Malta.

People coming from the United Kingdom will only be allowed to enter Malta upon the presentation of a vaccine certificate recognised by the Superintendent for Public Health.

Kindly inform your booked arrivals from the United Kingdom accordingly.

Thanks and best regards

Joe Muscat
