

CIRCULAR TO ALL GTA MEMBERS

Dear GTA Member,

Please be informed that the Rent scheme email is going to be sent by Malta Enterprise to all eligible applicants around mid-July 2021 while the Electricity Scheme email will be sent out in the coming months. Tourism establishments that had to close down their operations as a result of Legal Notices by Health Authorities in March 2020 are eligible for the Rent and Electricity Refund Schemes.

Establishments that have been receiving the Wage Supplement since 2020 and have already availed themselves of the Rent Scheme in 2020, will now be eligible for a top-up of 50% on the amount received last year. New applicants who were closed in March and April 2021, are now eligible for the Rent Refund as indicated in the presentation on Malta Enterprise site.
