

CIRCULAR TO ALL GTA MEMBERS

Dear GTA Member,

The government has published revised guidelines related to the recent announcement that controlled events in an enclosed area will be allowed to take place as from Monday 5 July, but attendance would initially be capped at 100 people.

The revised guidelines published Sunday evening, introduce the concept of bubbles, which means that up to 100 people will be allowed in each distinct area of the same venue. Provided that each area has a separate entry and exit and dedicated staff, and that no mixing is allowed with staff and attendees from other sections.

These standards are only applicable for small organised controlled events, namely:

1. Cultural, artistic, dance, theatre and music performances
2. Corporate events - conferences, awards nights, AGMs etc
3. Sports events

For further information click on link below to access the revised Standards
