

## TENDERER'S TECHNICAL OFFER (ORGANISATION & METHODOLOGY)

The following are the key components to the Technical proposal and thus each section below is to be tailored by the Contracting Authority to the specific requirements of the tender and in particular should reflect what is requested in the Terms of Reference.

Where in this tender document a standard is quoted, it is to be understood that the Contracting Authority will accept equivalent standards. However, it will be the responsibility of the respective bidders to prove that the standards they quoted are equivalent to the standards requested by the Contracting Authority.

A technical offer is to be provided by the Economic Operator in response to Terms of Reference. The submission shall be in a structured form and is to be in the same sequence as listed hereunder for ease of reference and evaluation.

### 1. RATIONALE

- Any comments on the Terms of Reference of importance for the successful execution of activities, in particular its objectives and expected results, thus demonstrating the degree of understanding of the contract.
- An explanation of the risks and assumptions affecting the execution of the contract.

### 2. STRATEGY

- An outline of the approach proposed for contract implementation.
- A list of the proposed activities considered to be necessary to achieve the contract objectives.

### 3. TIMETABLE OF ACTIVITIES

- The timing, sequence and duration of the proposed activities, taking into account the given timeframes.
- The identification and timing of major milestones in execution of the contract, including an indication of how the achievement of these would be reflected in any reports, particularly those stipulated in the Terms of Reference.
