Clarification Number 1

21st September 2017

Reference is made to clause 9.1 of the quotation document, the clause is hereby being amended to include the established weighting.

- 9.1 The contract will be awarded to the tenderer submitting the offer with the Best Price Quality Ratio (BPQR) in accordance with the below.

Each technical offer will be evaluated in accordance with the award criteria and the associated weighting as detailed in the evaluation grid of this tender document (Article 9.3). No other award criteria will be used. The award criteria will be examined in accordance with the requirements as indicated in the Technical Specifications.

The BPQR is established by weighing technical quality against price on a 60/40* basis respectively. This is done by multiplying;

- the technical scores awarded to the offers by 0.60*
- the financial scores awarded to the offers by 0.40*
